The Advantage Line

A complete line of kitchen accessories

American Products & The Advantage Line Catalog

American Products and the Advantage Line Catalog go hand in hand. There are many benefits of using The Advantage Line by American Products. This catalog is your entree' to a world of more satisfied customers, as you use it to call upon our expertise in providing some of the highest quality kitchen accessories in the industry.

American Products designs custom cabinets and accessories, allowing you to provide your customers with the products they desire, giving you the advantage. Our philosophy has always been to produce a higher quality product with careful and continuous attention to meeting the often-customized needs our distributors have come to expect. Consistent quality of product and service have always been the hinge-pins of how we obtain and maintain our customers.

We feel that the quality of a product has as much, or more, to do with excellence and pride in what we produce as it does with technique. Our product line has developed into one of the most comprehensive assortments of accessories in the industry -and it continues to expand.

American Products offers the diversity you need by offering the essential extras. For example, we have a standard Desk Organizer that is available in many sizes, woods and colors. We also have the ability to customize a Desk Organizer to whatever specifications you or your customer may desire. And that is only the beginning. Choose from plate racks and spice drawers to complete entertainment units, what ever the need, American Products will work to give you the advantage.

Our accessories are constructed with a quality that endures, but the aesthetic value of cabinet making is equally as important. They're meant to add beauty.

Ours is not just a passion for quality, but a love for what we produce.

If an advantage is what you are looking for, call American Products today for your custom cabinet and kitchen accessory needs.

AMERICAN PRODUCTS QUANTITY MOLDING PROGRAM

American Products and the Advantage Line are now offering a variety of stock moldings to our valued customers.

Our moldings are solid wood and wood veneer construction and come in 8-foot lengths, available in oak, maple, cherry, hickory and paint grade. We will color match them to your required cabinet line, then provide them to you in carton quantities. We will also provide you with a lead-time that is typically two weeks and the best customer service that we know how.

Pricing for the molding program is for carton quantities only. (*with the exception of items that have a carton quantity of 1, you must order a minimum of 5 cartons*) The quantities for each carton are listed in the bulleted section for each specific molding. Prices shown are per piece within that carton.

Looking for something not shown here? Please feel free to call or fax us with your specifications and allow **American Products** to give you a quote!

Competitive pricing, high quality and reasonable lead times are what we stand for!
